#### Forming the Royalty Rights Group

With the potential dismantling of the U.S. Department of Education, a continuation of the mental health crisis within America's children, and over \$1.75 trillion in student loan debt, it is clear that our systems are either outdated, broken, undefined, or corrupt. The real problem is that citizens of America spend more time destroying each other over organizations and businesses that do not care if we keep fighting so long as their numbers are met. If we no longer want to be dependent on those that don't work 4 Us, then we must *unite to design and use* systems that work- 4 Us.

Scholarships 4 Us® has the objective to form a group of community members\* (you do not need to be accredited investor or high-net-worth) that are interested in uniting and have experience in launching and/or scaling business. These members will invest for an interest in the business in which the only risk of not obtaining a potential 154% ROI in five years is failure of the parties to execute the Scholarships 4 Us® Business Plan.

Interested parties should first take the time to educate themselves on The Scholarships 4 Us® Program through the business presentations on the website <https://www.scholarships4us.com/presentations> which include:

- 1) Innovated Solution
- 2) Legislative-Compliance
- 3) Scholarships 4 Us® Education & Event Center
- 4) Investor Pitch Deck
- 5) Royalty Rights Group (ROI)
- 6) Business Plan
- 7) Financial Forecast
- 8) S4Us.portal

Serious inquiries can email [Business@Scholarships4Us.com](mailto:Business@Scholarships4Us.com) to schedule a Q & A and interview with executive leadership including Founder & President, Michael Duncombe. Further instructions will be discussed at that time.

\*The goal is to plant The Seed of Goodwill and no longer provide energy to The Seed of Division. If you consider yourself as indulged in the divisive nature of the current affairs in America and are not willing to let go of systems that divide us- then this opportunity is not suitable for you.
