RPF

The National Association of Collegiate Esports® requires potential collegiate Esports competitors to complete their **Eligibility Certificate** in order to determine their eligibility to compete for a postsecondary educational institution.

Every student that enrolls in The Scholarships 4 Us® Program will maintain their eligibility to compete as a collegiate Esport competitor for the reason Scholarships 4 Us® keeps track record of a students' participation, accrued savings, accumulated Prize Money based on Place Finish, and the disbursement of the funds.

Through our national standardized competitions and tournaments Student-Participants will have the opportunity to be able to master their craft and perfect their game so that in the near future each of them may be competing for a collegiate national championship and then into a professional level.
